Overview

Claire Briggs specialises in all forms of Family law both public and private including ancillary relief.

Practice Areas

Public Law Children

Claire Briggs specialises in all forms of family law including public and private Children Act work. Miss Briggs has experience in dealing with demanding cases including cases in which allegations of sexual abuse have been made, and cases which feature international child abduction.

Miss Briggs has a particular interest in working with vulnerable clients and has been the choice of solicitors seeking an empathetic barrister, who is well able to communicate with clients.

She has a wealth of experience – both in terms of life experience and within the arena of family law.

Private Law Children

Claire Briggs specialises in all forms of family law including public and private Children Act work. Miss Briggs has experience in dealing with demanding cases including cases in which allegations of sexual abuse have been made, and cases which feature international child abduction.

Miss Briggs has a particular interest in working with vulnerable clients and has been the choice of solicitors seeking an empathetic barrister, who is well able to communicate with clients.

She has a wealth of experience – both in terms of life experience and within the arena of family law.
